25 June 1974

MEMORANDUM FOR: Director of Research and Development
THROUGH: Special Panel, ORD
SUBJECT: Recommendation for Promotion -
[REDACTED] 25X1A9a
GS-05 to GS-06

25X1A9a 1. In accordance with the Minutes of the 3 June 1974 Career Service Panel, and the direction of the Panel's Chairman, I am submitting a recommendation for the promotion of [REDACTED] from GS-05 to GS-06. A copy of her latest fitness report is attached.

25X1A9a 2. [REDACTED] joined the Agency 5 August 1973 and entered on duty with ORD on 27 August 1973. She came to the Agency highly qualified for a business career having received her Bachelor of Arts degree in Office Administration in May of that year from Washington State University, Pullman, Washington. In addition, while a student at the University, [REDACTED] 25X1A9a worked part-time as a receptionist and typist. Much of her part-time work consisted of typing technical papers for engineering students which gave her a background ideally suited for an assignment in an office such as ORD. 25X1A9a

3. In February of this year, at her own request, [REDACTED] transferred to this Division to a position which she felt offered a greater challenge, more growth potential, and a greater opportunity for advancement of her career.

25X1A9a 4. [REDACTED] excellent educational background and experience have been reflected in her work with this Division. She works with a minimum of supervision, is quick to grasp Agency and Division procedures, and has, in addition, shown personal characteristics such as initiative, creativeness, and

the ability to adapt to widely varied work assignments. These attributes, all combined, have resulted in a showing of an unusually high degree of competence and skill in [REDACTED] performance of her duties. All in all, [REDACTED] has contributed greatly to the successful handling of the heavy workload of this Division.
